

# Heat is Quick to Affect the Bowels

**Well-Known Fact That Extreme Heat Conduces to Chronic Constipation.**

So many people are in the habit of eating cold food in hot weather that constipation is very common during summer. It is best to vary the food and have some hot things, as, for example, soups and hot fish and meats, if that is to be the diet. Ice water should be drunk sparingly.

In spite of all care people will become constipated, and if you find yourself in that condition you can get immediate relief by the use of Dr. Caldwell's Syrup Pepsin. There is no time of the year when you should be more careful of constipation than in the summer, for many of the serious illnesses as well as the fatalities result from clogging up of the bowels.

Also need general good health to withstand the heat, and hence Syrup Pepsin is best to take because it contains tonic ingredients that help to build up the entire system.

Numerous users throughout the land will verify these facts, among them Mr. George C. Allen, 408 N. Main St., Reading, Mass., who recovered his health completely after using only two bottles; and Miss Anna Schoff, 249 S. Washington St., Baltimore, Md., who uses it for constipation and now has her mother and

friends also using it. They now avoid drastic remedies like cathartics, tablets, purgatives, salt waters, pills and such things. Dr. Caldwell's Syrup Pepsin is mild and pleasant, and children like it. You can obtain it of any druggist at fifty cents and one dollar a large bottle. Each bottle must do what is claimed or your money will be refunded.

Families wishing to try a free sample bottle can obtain it postpaid, by addressing Dr. W. B. Caldwell, 418 Washington St., Monticello, Ill.

## LACK OF ADDITIONAL DAY CAUSES TROUBLE

SPOKANE, Wash., Aug. 23.—As a result of a special trip to Washington by U. S. Dist. Atty. Oscar Cain, assistant U. S. Atty. Farley Friday filed in the federal court a mandate issued in May, 1912, by the circuit court of appeals in San Francisco, ordering the re-sentencing of C. E. Mitchell, a Spokane mining broker, convicted of fraudulent use of the mails.

Mitchell was convicted in June, 1911, and sentenced by Judge Frank Rudkin to one year in a federal prison. The statutes provide that a prisoner may not be sentenced for less than a year and one day to a federal prison, and Mitchell seized upon the court's oversight as a ground for a legal battle.

## TEMPERATURE HITS LOW MARK IN MONTH

Following Thursday's Rain It Begins to Fall and During Friday a Mark of 61 Was Reached.

Following the sweltering weather of the last two weeks and the heavy rain Thursday night the mercury dropped to a minimum for the month Friday when it fell to 61 in the afternoon and promised to go still lower before Saturday morning.

According to Henry W. Swaim, weather observer for the county, this is the lowest for the month and although it is not unusual for the temperature to drop to this notch, it is the first signs pointing to fall. During the heavy rains Thursday night 1.59 of an inch of rain fell or more than the total previous amount for the month.

It kept city and railway officials busy all day Friday repairing the damage done by the flood. Wires were down and many of the sewers had to be dug open. The big wash-out at the corner of Ottawa st. and Vista st. was repaired by the street railway company. The pavement had been undermined, causing it to settle down several feet.

Much damage is done to goods in downtown stores, packed in the basements, and considerable time was spent overhauling damaged articles.

# DR. FLEENER'S STATEMENT OF FACTS

The Specialist Who Devotes His Entire Time to Chronic Diseases of Men and Men Only

I Know How to Cure Nervous and Chronic Diseases of Men

Science is on the wing. Treatments used one year ago are back numbers now. To be a TOPNOTCH Specialist requires not only skill and energy, but capital. The public is not satisfied with a doctor who sticks in the OLD RUT. Neither is it satisfied with the electric belt fakes or the pretending specialist. Nowadays men demand up-to-date treatment, not smooth talk and empty promises. To be a leader now it is absolutely necessary that you possess an EXPENSIVE LABORATORY where scientific investigations can be continually carried on. This I have, and I am prepared to give my patients the benefit of all the GREAT DISCOVERIES as soon as they are perfected. Others watch my announcements and at once they claim to do the same things. Men come to me because they read my STRAIGHT-FORWARD OFFERS, or because I have CURED some of THEIR FRIENDS. I AM PROUD OF MY RECORD.

"914" CURES BLOOD POISON

No Pain, Return Home Same Day

Giving a patient Neo-Salvarsan, "914," Prof. Ehrlich's New German Remedy for Blood Poison. This is the intravenous method, directly into the blood, the only way it should be given.

Extract from letter of Prof. Ehrlich: "Judging from all the reports received by me, it appears that the intravenous injection is to be preferred to all other methods of administration, as far as permanency of effect is concerned. Although I have to admit that this method of administration will prove an obstacle to the introduction of the remedy in general practice, on account of certain technical difficulties, I believe that the interests of the patient demand that only the most efficient form of treatment should be decided upon."

I should feel much obliged to you if you will—as heretofore—assist me in this direction, and in the future employ as much as possible the intravenous method for the administration of the remedy.

(Signed) P. EHRLICH.

Thomas A. Edison, the great "electrical wizard," says: "The German discovery for the cure of Blood Poison is the most important achievement of the year 1911—and that most of us have the disease and do not know it."

I guarantee a painless and safe treatment, giving the Genuine German Remedy according to the great German professor's latest instructions.

MY METHODS appeal to those who THINK and who want the benefit of the LATEST SCIENTIFIC PROGRESS that drives DISEASED GERMS out of your body. My advice is FREE and valuable, whether you are treated or not. If you need help, make your wants known to an HONORABLE SPECIALIST. No matter about money. COME if possible. IT'S BEST. I will explain to you my treatment for Varicose Veins, Nervous Debility, Blood Poisons, Kidney Diseases, Bladder Troubles and other diseases of mankind.

WARNING—Electrical Treatment, Electric Belts, Suspensory, Bandages, Medicines, locally or internally, will never cure any man of Varicose Veins, Hydrocele, Piles, Rupture, Stricture, Fistula, and when a doctor tells you he can cure you by such methods, he is only after your money.

Hours 9 to 12; 1 to 5; Evenings, 7 to 8; Sunday, 9 to 12 Only.

DR. O. F. FLEENER, Expert Doctor for Men.

YOU DON'T PAY IF I DON'T CURE  
LEARN MY METHODS

The FEAR OF FAILURE to obtain a cure in your case may have deterred you from taking treatment, or you may have been one of the unfortunate who have been treated in vain by inexperienced physicians. FREE TREATMENTS, FREE TRIAL SAMPLES, PATENT MEDICINES, or by false testimonials you may have been lured to a combination of traveling men representing themselves as great specialists, but having no knowledge of medicine. When you come to my office you see a regular licensed physician. I am in no way connected with any doctor, company or combination of men who copy my advertisements. My conscience, my profession, my reputation and teaching condemn all such quackery. No books, almanacs, nor symptom-blank-schemes. No reputable doctor will resort to such methods.

I Charge Nothing to Prove My Methods Will Cure

BLOOD POISON, SKIN DISEASES, URINARY OBSTRUCTIONS, STRICTURE, VARICOCELE, HYDROCELE, NERVOUS DECLINE, MALE WEAKNESS, PILES, FISTULA, KIDNEY, BLADDER AND PROSTATIC AFFECTIONS, DRAINS AND ALL NERVOUS, CHRONIC AND SPECIAL DISEASES OF MEN DUE TO EVIL HABITS, EXCESSES, OR THE RESULT OF THE SPECIFIC DISEASES.

## DISEASES OF MEN

Lost Power the Cause of Mental and Physical Suffering

Perfect health is possible only when every function of the human body is properly performed. Man is the paragon of animals, the perfection of all created beings, but how seldom do we see the true, the perfect man, walking among his fellows a solitary gem? How many who fail to reach the dimensions of their splendid model! And yet the young man, the middle-aged man, the man of mature age who walks the streets with head hanging, afraid to meet the eye of his fellow beings, dreading lest they read his inmost secret, still follows the paths of ignorance for while his youth may be wrecked, while his vitality may be lowered, while his body may be the prey of his mind, yet there is hope, that his living death may turn and give him years of happiness, lifting him to that plane of manhood which all men should tread. I want to help men who are weak in vitality, who are nervous, despondent and lacking self-confidence; who feel as if old age was coming on too soon, because of the dulling of their youthful fire and ambition.

## A SURE CURE—A SMALL FEE

To be strong is the aim of every man, and yet how many we find who are wasting the vitality and strength which Nature gave them. Instead of developing into the strong, vigorous man that Nature intended them to be, they find themselves stunted and despondent—no ambition to do anything. They struggle aimlessly along, sooner or later to become victims of that dread disease, nervous debility, their finer sensibilities blunted and their nerves shattered. It is hard for a weak man to have noble sentiments; such things are born of warm blood, healthy nerves and a strong heart. Every weak man is more or less despondent, lacks the magnetic enthusiasm of youthful energy, and should not hesitate to make almost any sacrifice to again be happy, light-hearted and full of joyous impulses, to be free from brain wandering and dull, stupid feeling, to have confidence and self-esteem, and command the admiration of men and women. It is the law of Nature that all of the powers of the body and brain should be retained unimpaired until the last. The vitality of youth can be conserved by right living, and it is only because men ignorantly and recklessly waste their store of nerve force that they become feeble wrecks and find life not worth living. Scores upon scores of men of all ages and in nearly every walk of life have been rescued by Dr. Fleener. With him the treatment of these diseases is not an experiment. If he feels that he can't cure you, he says so and you part friends. You cannot afford to neglect this condition; neglect has strewn the seeds of discord and unhappiness in hundreds of homes, which otherwise would have been the abode of peace and happiness. The greatest gift to man is a healthy, Manly System; if your vitality is not what Nature intended, you are the cause, and inasmuch as it lies within your reach to have this gift restored, what man, who is truly a man, will not seek the opportunity?

## Do You Suffer

with sour stomach, bloating after eating, headache, backache, dizziness, specks before your eyes, hot and cold flashes, lame back, scanty high-colored urine, burning, stinging or difficult urination, spots under skin, loss of energy, ambition, vim, vigor, vitality, bashful, timid, nervous weakness, loss of confidence, brooding, blues, lack of ability to concentrate mind, thoughts wander, cold feet, itching of skin, vital loss, excessive thirst, pain around the heart, at base of brain or down limbs? Do you have difficulty in fixing your thoughts? Is your memory poor? Do you get weak and dizzy? Are you nervous and irritable? Are you the man physically and mentally that you formerly were? Can you accomplish what your healthy friends and acquaintances can? If not, you are laboring under a great handicap. Come and let me make you strong and well again at a very small cost.

I also cure Rupture, Rheumatism, Piles, Fistula, Kidney and Bladder and Prostatic Diseases, Blood Poison and all other Men's Diseases quickly, permanently and without pain or loss of time. Examination free. Begin treatment now—today. All letters promptly answered.
